Appeal to the Employer

Greetings from PCCoE, Pune!!

Our Institute PCCoE has emerged as an Engineering and Management Institute rendering excellent Quality Education for nurturing our Students as per the expectations of Industry and other Stake holders and be the responsible citizens of tomorrow.

All our Processes and Practices are defined in such a way that our Students are groomed to achieve Academic and Technical Competence. Efforts are also made to develop their overall Personalities by providing various Additional Inputs.

PCCoE is permanently affiliated to the Savitribai Phule Pune University, is an ISO 9001:2008 Certified Institute by TUV NORD and all our Engineering Programs are accredited by National Board of Accreditation (NBA), India.

Now PCCoE is in the process of achieving further accreditation for national and global excellence by way of fine tuning our Processes and Systems as per the revised NBA Global Norms which are Outcome Based.

NBA India has created new accreditation procedure designed to promote continual improvement in our Academic Programs. A crucial step in this procedure is to identify and assess the Program Educational Objectives (PEOs). PEOs are defined as the statements that describe the expected accomplishments of Graduates during the first few years of graduation.

We need your support in assessing if the Graduates from our Program have accomplished these PEOs; by filling this Survey. Questions in this Survey are framed to measure the extent to which our Graduates have achieved the Program Educational Objectives (PEOs).

Your feedback would be very helpful for us to improve our practices and processes still further and is very important for us. You are kindly requested to find some time to give your valuable Feedback in the given Format and suggestions if any.

We assure you that we will use the information provided for above purpose only and maintain confidentiality of records.

We are looking forward to your positive response at the earliest.

Thanks and regards,

Dr. A.M. Fulambarkar
Principal
